

## NRC Ranking of Doctoral Programs Regression (R) Based Method (rev. 2011)

Rankings were calculated 500 times; the results were numerically ordered and the lowest 5% and highest 5% were excluded. Thus, each vertical line represents the range of rankings generated, 5th - 95th percentile (out of 116 plant science programs).

## Survey (S) Based Method (rev. 2011)
